To the Maine Commercial Fishing Industry:

It is with reluctance and deep regret that the Forum Board of Directors has decided to cancel the 2021 Maine Fishermen's Forum.

There is no possible way that we can protect our Forum participants in such a tight environment, due to COVID-19 and required safety restrictions.

The Board intends to continue serving the commercial fishing industry throughout 2021. We will be meeting soon to discuss options, and will share more details as they become available. Please check our website or Facebook page for updates.

At this point, we have every intention of holding the Forum on March 3, 4 and 5, 2022. Please mark your calendars and we truly hope to see you there.

In the meantime, we wish you the best over the coming year, and look forward to seeing you in 2022.

Good fishing!
